

EDUCATION

-
- **Peking University** Ph.D.
Astrophysics (Supervisor: Ruobing Dong) 2025 - present
 - **Beijing Normal University** B.S.
Astronomy (Thesis: Particle In Cell simulation of Pulsar Magnetospheres) 2021 - 2025

CONFERENCES

-
- **Annual Meeting of the Chinese Astronomical Society (talk, 10min)** Xiamen, Fujian
Tracing Shadow Variability in Protoplanetary Disks with Multi-Epoch Scattered-Light Imaging Oct. 2025
 - **The 11th East-Asian Meeting on Astronomy (talk, 15min)** Niigata, Japan
Shadows in protoplanetary disks revealed by multi-epoch scattered light imaging Dec. 2025
 - **Spirit of Lyot 6 (talk, 15min)** Caltech, Pasadena, US
Tracing Shadow Variability in Protoplanetary Disks with Multi-Epoch Scattered-Light Imaging Feb. 2026

SEMINARS

-
- **PDS seminar, Tsinghua University (talk, 15min)**
Tracing Shadow Variability in Protoplanetary Disks with Multi-Epoch Scattered-Light Imaging 2025.12.03
 - **Astro Lunch, UCSB (talk, 20min)**
Tracing Shadow Variability in Protoplanetary Disks with Multi-Epoch Scattered-Light Imaging 2026.02.11
 - **Guest Lecture, Xiamen University (45min)**
Protoplanetary disks in NIR direct imaging 2026.04.28
